Travel Tips

Follow the tips below to make your trip as convenient as possible:

- **Plan your trip accordingly** - Consult the departure times for the buses you will be taking. Please be sure to arrive at the bus stop at least five minutes prior to the scheduled departure time. Should you need assistance in planning your trip, please contact our Transit Information Center at 1 (973) 275-5555.
- **Carry-ons** - Try to travel lightly, as space on board buses is limited. Should you need to stow items such as strollers and oversized bags, please ask a bus operator to stow them in the undercarriage, if available. If an undercarriage is not available, carry-on items must fit in the overhead parcel racks or on the passenger's lap. Baggage may not block aisle ways, be placed on empty seats, or cause inconvenience to other passengers.
- **Purchase Tickets** - Although it is not required, we recommend that you purchase your tickets in advance or have exact change for quick boarding.
- **Seating** - Our goal is to provide a seat for all passengers, however, this may not be possible when buses are crowded. If your bus is crowded and seats are not available, you have the option of standing or waiting for the next bus to arrive.
- **Additional Information** - If you need additional information or assistance once you arrive at the PABT, please visit our Customer Service Office located in the Ticket Plaza on the first floor of the bus terminal.
